

Student ID Card

The full-time students will get student ID cards from their advisors when classes begin, while exchange students and the audit students will receive their student ID cards at the International Relations and Communications Office (IRCO) after the admission registration. IRCO will notify the students via email or a call of the date to pick up their student ID cards and the registration receipts at IRCO.

Student ID cards are for the following purposes:

- Approval when taking an examination
- Using facilities in the Central Library and the Computer Center
- Getting the discount for BTS sky train or MRT subway
