## ORIENTATION 2019

(MASTER'S DEGREE)

# SWU BRIEF INTRODUCTION

Srinakharinwirot University was developed from two institutions: the Advanced Teacher Training School, founded in 1949 and the College of Education, founded in 1953. In 1974, it became a comprehensive university by Royal Decree of His Majesty the King Bhumibol Adulyadej, who graciously named the new university Srinakharinwirot, which means 'the glory of the city. Also, while the Faculty of Education remains at the historical heart of the University, Faculty of Medicine, which is our strength, as well as some there have been established over the years and offer a range of degree programs.

Today, Srinakharinwirot University is a modern go-ahead university in the metropolitan heart of bustling Bangkok, but life, the city, and the university were all very different when the University's story began. The main central campus in Bangkok has 14 faculties (Included The Graduate School). Ongkharak campus in Nakhon Nayok has 7 faculties, about 70 kilometers north of Bangkok first admitted students in 1996.

Faculties of Engineering and various fields of medicine and technology located there are blessed with state-of-the-art teaching facilities. In particular, the Princess Maha Chakri Sirindhorn Medical Center provides medical students with all modern means for research and training. It also provides medical care for students, staff and the general public.

Panyananthaphikkhu Chonprathan Medical Center will soon be a second school Teaching hospital in suburban Bangkok.
